Chamber Bucks Are Good for Savanna and Great for Your Business

Why Good for Savanna? They are redeemable at Savanna Chamber members.

Why Great for Business? They are just like money.

Chamber Bucks come in \$10 denominations and are numbered just like your checks.

They are given as gifts and prizes in town.

Your business should welcome them as you would welcome cash.

Where have people used them? At gas stations, at gift shops, at restaurants, and at grocery stores and at your business.

It is simple once you receive it.

You give change. If the purchase is \$6.40 and they have one chamber buck, they would get \$3.60. Or a purchase of \$18.00 and 2 chamber bucks used; it would be \$2.00.

Business owner, manager, bookkeeper needs to contact the Chamber office; give the number of Chamber bucks used and the number of the Chamber Buck in the upper right hand corner.

The Chamber will write a check for \$10.00 if only one is redeemed; \$20.00 if two are redeemed, and so on. Then bring the Chamber check to you for your deposit.
